Linear Triple Pendant

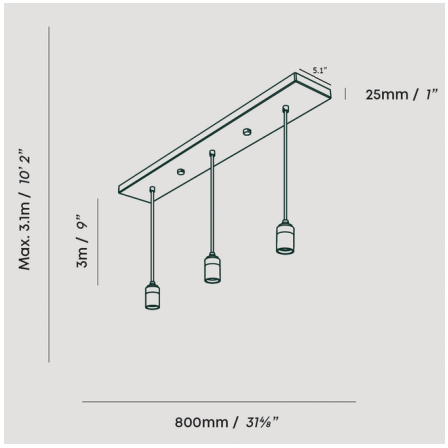

By Tala

Description

The Linear Triple Pendant is designed to display a trio of Tala's decorative bulbs in an orderly row. Choose between the matte white Sphere bulbs for a clean, sophisticated look or Voronoi bulbs for a bold, industrial design. The Sphere bulbs feature Warm Dim LED lights that warm in color from 2800K to 2000K when dimmed. A Matte White powder-coated steel canopy and brass finished sockets provide just the right amount of shine to complement the bulbs.

Shown in white / tinted
