Flowerpot VP9 Portable Table Lamp By &Tradition

 ϵ

Description

Take the cordless Flowerpot VP9 Portable Table Lamp with you wherever you need light. Made of a molded polycarbonate shade and base, it is compact and lightweight, perfect for portability making it the ultimate in portable mid-century lamps. It includes a USB charging cable, charges in 8 hours, and operates for 10 hours when fully charged. A steel touch dimmer at the top of the shade enables three levels of brightness: 100%, 50%, and 20%. With vivid color options and a rounded silhouette that express the experimental attitude of designer Verner Panton, this piece is a stylish accent for your space. The lamp can be used indoors and in dry outdoor conditions, except the Brass and Chrome plated finishes which can only be used indoors. For all finishes, the lamp must be stored indoors.
