Tabata Wall Sconce

By &Tradition

Description

Seeking to design a lamp that appears to float, designer Luca Nichetto created the Tabata LN10 Wall Sconce, a work of art that combines an industrial aesthetic with a warm light. Its three interconnected cast aluminum modules are powder coated to give a textured surface. Delivering a soft uplight and downlight through a frosted acrylic diffuser, the Tabata is suitable for illuminating offices, hallways, and living rooms.

Shown in silk grey / frosted

21cm / 8.3in
