Verdura Chandelier

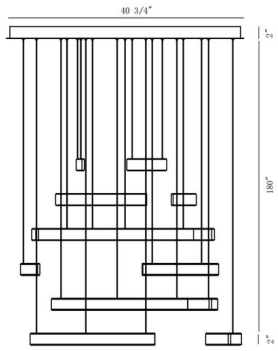

By Eurofase

Description

The striking Verdura Chandelier is a multi-tier arrangement of edge-lit LED ring segments finished in two-tone vegan leather. The 17 arcs feature light-colored pebbled faux leather on the inside and a complementary darker tone on the outside, and their positions can be adjusted to create an endless variety of configurations. This chandelier makes a dramatic statement in a range of spaces, from offices to foyers and grand staircases. Note: requires a junction box rated for fixtures weighing over 50 pounds.
