Long Beach 120V Outdoor Post Mount

By Troy Lighting

Description

The Long Beach 120V Outdoor Post Mount features a lean silhouette and its style employs geometric forms with perfect restraint. Finished in textured black, the lantern extends from two sleek arms, while clear glass encapsulates the light source. Troy post lights are compatible with two types of base; order either a pier mount fitter or post depending on the application, required and sold separately.

Shown in black / clear
