Lowry 120V Outdoor Post Mount

By Troy Lighting

Description

The Lowry 120V Outdoor Post Mount is an inverted cube that features a material mix of bronze-finished aluminum and patina brass paired with clear beveled glass for an added layer of finesse. Complex in theory, Lowry is undeniably effortless, adding instant glamour to any exterior. Troy post lights are compatible with two types of base; order either a pier mount fitter or post depending on the application, required and sold separately.

Shown in bronze / patina brass / clear
