Longport 120V Outdoor Post Mount

By Troy Lighting

Description

The Longport 120V Outdoor Post Mount is industrial in nature and elevates the traditional cage silhouette. A clear glass shade sits within an exterior frame, adding layers of dimension to this timeless style. The circular handle balances out the angled design. Troy post lights are compatible with two types of base; order either a pier mount fitter or post depending on the application, required and sold separately.

Shown in black / clear
