Matrix Tiered Chandelier
By Varaluz

Description

The Matrix Tiered Chandelier will dramatically improve the look and feel of your favorite indoor space. This large-scale hanging light fixture boasts the dramatic flair of a cityscape, thanks to the handsomely hammered elements. The strong, hand-forged recycled steel backing and 70's inspired glass rods work in unison to create a breathtaking look. Use this modern chandelier light to add depth and warm light to your favorite space. Note: Due to the weight of this fixture, additional ceiling support is required.
