Gregory Kay

BRAND

PureEdge Lighting

DESCRIPTION

The MIYO (make-it-your-own) Glide Square up and down suspension, with its combination of genuine hand-finished hardwood, linear channels and lit corners, is ideal for residential spaces. The MIYO family of fixtures and systems allow you to become the Lighting Designer. The Glide MIYO offers up and down lighting with 10 watts per foot (5 up and 5 down), featuring a diffused white lens with 100 degree beam spread for the downlight, and a clear frosted lens with 60 degree beam spread for the uplight. Available in four standard sizes with static white color temperature options. A 24VDC Universal LED power supply is included in the 8 inch round canopy. The Universal (UNI) power supply features universal dimming (TRIAC, ELV, 0-10V). The Glide MIYO can be wired as a 2-circuit fixture allowing for both direct and indirect light and individual dimming control. Note: Satin Nickel canopy finish for Maple, Walnut, Cherry, and White Oak. Black canopy finish for Wood Espresso.

SHADE COLOR

Wood Walnut

BODY FINISH

Satin Nickel
