DESCRIPTION

Bardot Tunable White Bath Bar with 1 Inch Rectangle or 4 Inch Round Canopy features an opaque white diffuser lens that provides uniform, tunable white light without hotspots. Available in various increments from 12 to 120 inches, a variety of finishes, and Tunable White 2000K-6500K (2K6K) or 27K6 (2700K-6500K) color temperature. Tunable White allows for independent control and adjustment of color temperature and intensity from 2000K (Sunset) through 6500K (Day Light White). Canopy options: Slim Profile 1 inch rectangle (1RE) which does not require a canopy or a 4 inch round (4RD) canopy. Canopy may be located anywhere along the fixture length. Chrome finish available up to 84 inches. Finished lengths include end caps. Note: A DMX color changing power supply or 2XK 0-10V power supply is required and sold separately. 0-10V requires two dimmers --one for intensity and one for color temperature. DMX power supply must be used with PureEdge controller (CDMX1-2XK). Limited quantities available in White finish. Note: Product is built to order.

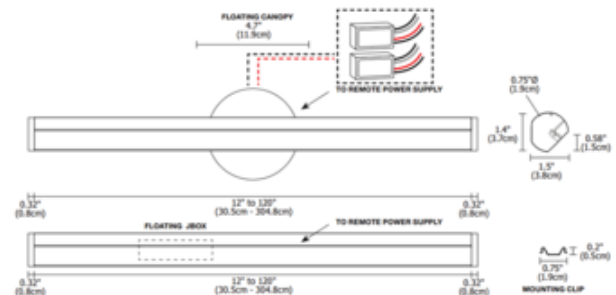

Shown in: Satin Aluminum
