Lucci Air Whitehaven Smart Ceiling Fan with Light

By Beacon Lighting

Description

The Lucci Air Whitehaven Smart WiFi Controlled Ceiling Fan with Light features a sleek, modern 3-blade design and a quiet energy-efficient DC motor that provides powerful airflow for your space. DC (direct current) technology has the benefit of super energy efficiency, higher air volume movement and silent operation. The Lucci Air Whitehaven ceiling fan will make a modern high-performance statement to any indoor or outdoor room of your home. Control it from anywhere using a smartphone or speaker. Download the Bond Home app and experience ease of operation with the tap of a button or voice control. It can also be operated using the included hand-held remote control with wall mount which enables 6 speeds, forward and reverse, motor on/off, and light on/off with 3-step dimming. Winter/Summer mode: manual switch. Rated for both indoor and outdoor locations. Optional downrods are sold separately.
