

BRAND Buster + Punch

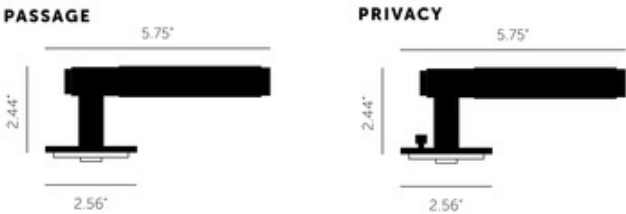

DESCRIPTION

The Cross Door Handle Set features a diamond-cut, cross-knurl detailing. Intended for interior doors. Includes two handles and a 2-3/8 inch backset US passage tubular latch with through bolt fixings. Available with or without a privacy lock. Black: Made from Aluminum and then anodized to give a deep Black finish. Brass: Made from precision-machined solid brass and finished with two layers of durable satin lacquer. This finish will age slowly, moving from radiant brass to deeper and golden within a few years. Smoked Bronze: This is a living finish, meaning the more it is used the more the base Brass will show through. It will age with you. Steel: Made from solid stainless steel and refined by hand. Steel is Buster + Punch's most durable finish and will remain the same for years to come.
