Pre-Drilled Passage Door Knob Set - Linear Pattern

By Buster + Punch

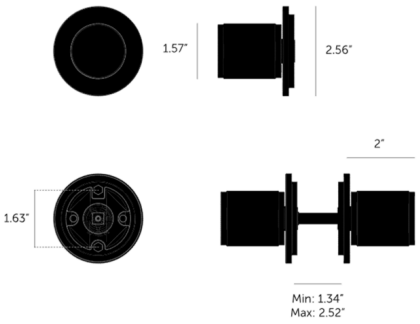

CONTRACT GRADE

Description

The Linear Pattern Pre-Drilled Passage Door Knob Set is refined by hand and features a linear knurl pattern. Intended for interior doors. Includes two knobs and an 8mm square spindle. Fits doors with a minimum of 1.375 inch thickness. Tubular latch sold separately.Black: Made from Aluminum and then anodized to give a deep Black finish. Brass: Made from precision-machined solid brass and finished with two layers of durable satin lacquer. This finish will age slowly, moving from radiant brass to deeper and golden within a few years.Smoked Bronze: This is a living finish, meaning the more it is used the more the base Brass will show through. It will age with you.Steel: Made from solid stainless steel and refined by hand. Steel is Buster + Punch's most durable finish and will remain the same for years to come.
