## Linear Furniture Knob with Plate - Set of 2 By Buster + Punch

### Description

The Linear Furniture Knobs are refined by hand and feature Buster + Punch's signature diamond-cut, linear knurl pattern. They are paired with a Solid Metal backplate and matching screws. Sold as a set of two. **Black:** Made from Aluminum and then anodized to give a deep Black finish. **Steel:** Made from solid stainless steel and refined by hand. Steel is Buster + Punch's most durable finish and will remain the same for years to come. **Burnt Steel:** Made from solid Stainless Steel and exposed to excessive heat to create a unique rainbow of blue, purple, and yellow. No two are exactly alike.
