By Buster + Punch

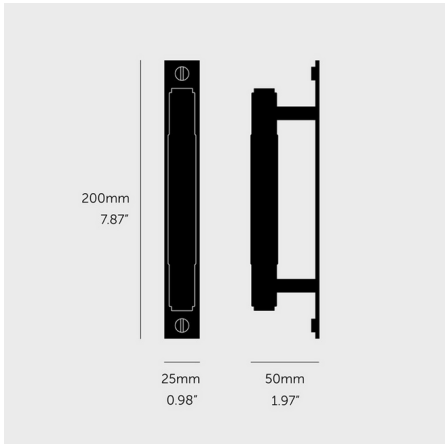

CONTRACT GRADE

It is paired with a Solid Metal backplate and matching screws.Black: Made from Aluminum and then anodized to give a deep Black finish.Brass: Made from precision-machined solid brass and finished with two layers of durable satin lacquer. This finish will age slowly, moving from radiant brass to deeper and golden within a few years.Smoked Bronze: This is a living finish, meaning the more it is used the more the base Brass will show through. It will age with you. Steel: Made from solid stainless steel and refined by hand. Steel is Buster + Punch's most durable finish and will remain the same for years to come.
