Cross Pull Bar

By Buster + Punch

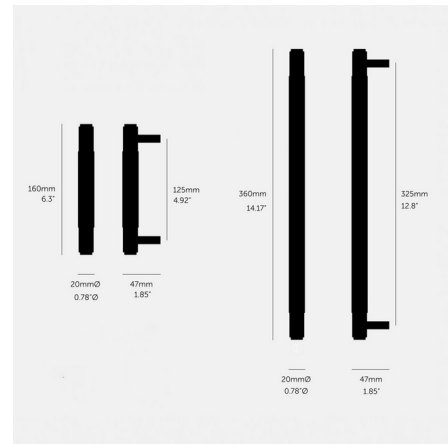

Description

Buster + Punch's Pull Bar is refined by hand and features their signature diamond-cut, cross-knurl pattern. Black: Made from Aluminum and then anodized to give a deep Black finish. Brass: Made from precision-machined solid brass and finished with two layers of durable satin lacquer. This finish will age slowly, moving from radiant brass to deeper and golden within a few years. Steel: Made from solid stainless steel and refined by hand. Steel is Buster + Punch's most durable finish and will remain the same for years to come. Note: Some size/finish combinations are no longer available.

Shown in steel
