Ingeborg Lounge Chair

By Audo Copenhagen

Description

Originally designed by Danish architect Flemming Lassen and built by master carpenter Jakob Kjaer in 1940, the Ingeborg Lounge Chair features an elegant and inviting silhouette that gives the impression of a warm embrace. Gently curving arms and a button tufted back are paired with a linear seat and Oak legs in classic Scandinavian style, and the petite proportions allow the piece to be placed in rooms of all sizes.

Shown in dark stained oak / moonlight sheepskin
