Ingeborg Lounge Chair By Audo Copenhagen

Description

Originally designed by Danish architect
Flemming Lassen and built by master carpenter
Jakob Kjaer in 1940, the Ingeborg Lounge Chair
features an elegant and inviting silhouette that
gives the impression of a warm embrace. Gently
curving arms and a button tufted back are paired
with a linear seat and Oak legs in classic
Scandinavian style, and the petite proportions
allow the piece to be placed in rooms of all sizes.

Shown in dark stained oak / moonlight sheepskin
