The Tired Man Lounge Chair

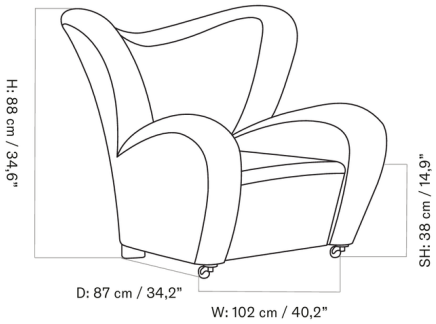

By Audo Copenhagen

Description

Originally created by Danish designer Flemming Lassen in 1935, the Tired Man Chair is meant to make whoever sits in it feel as warm and safe as a polar bear cub in the arms of its mother in the middle of the ice cap. The Tired Man's organically curving silhouette and enveloping seat and back provide a delightfully plush spot to relax. Blocky oak legs with front casters complement the oversized seat, and a choice of sheepskin or fabric upholstery allow for a casual, inviting look or a more refined feel.
