Frame Tall Cabinet

By Audo Copenhagen

Description

The Frame Cabinet series is a flexible storage system consisting of rectangular modules for a cubistic style. The Tall Frame Modules are available with no door and one shelf, two drawers and one shelf, or two shelves with a door. The cabinets may be mounted to the wall or stand on their own on the floor to serve as a bookcase, nightstand, or any number of other configurations. The Frame collection is manufactured and assembled by hand in Denmark. Available in melamine or wood veneer with metal trim. Note: The metal base is sold separately.
