## Frame Shoe Cabinet

By Audo Copenhagen

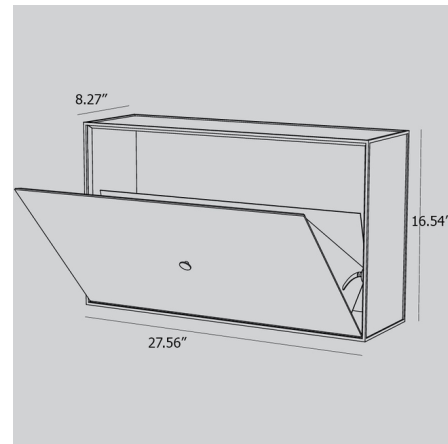

### Description

The Frame Shoe Cabinet features the same cubist design of By Lassen's frame collection, but with a slim profile and downward-opening door that makes it ideal for storing shoes in a small hallway. This cabinet can be mounted to the wall, allowing it to take up minimal floor space. Manufactured and assembled by hand in Denmark, the Frame Cabinet embodies the principles of functionality, quality, and aesthetics

Shown in black stained ash

### Specifications
