DESCRIPTION

The Frame Sideboard is a flexible storage system consisting of a square body with an open steel base for a cubistic style. Whether standing on its own or grouped with other pieces, Frame can serve as a dresser, nightstand, or any number of other roles. The upper portion can also be removed from the base and mounted to the wall if a new configuration is needed. The Frame collection is manufactured and assembled by hand in Denmark. Available in MDF or wood veneer with metal trim. Base is included.
