Frame Sideboard Trio

By Audo Copenhagen

Description

The Frame Sideboard Trio is a flexible storage system consisting of three square modules with open steel bases in a cubistic style. The Trio includes an open module with a shelf, a module with a door, and a module with three drawers. Whether standing on its own or grouped with other pieces, Frame can serve as a dresser, sideboard, or any number of other roles. The upper portion can also be removed from the base and mounted to the wall if a new configuration is needed. The Frame collection is manufactured and assembled by hand in Denmark. Base is included.
