Frame Four Storage

By Audo Copenhagen

Description

The Frame Four Storage is a flexible storage system consisting of four square modules in a square arrangement. Two modules are open frames, and two have doors. The piece can stand alone on the floor, or be mounted directly to the wall. When grouped with other pieces in the Frame Collection, a virtually endless number of combinations are possible. The Frame collection is manufactured and assembled by hand in Denmark. Available in MDF or wood veneer with steel trim.
