Dorian Extendable Dining Table

By Connubia

Description

The Dorian Extendable Dining Table is the ultimate way to create space for a friendly lunchtime gathering. Extendable, it has round-section sides in wood or metal with metal legs. The tabletop in ceramic or melamine is combined with an internal extension leaf that slides out on practical concealed glides when the table is tugged from the apron. The wide assortment of combinations and sizes available makes for a versatile table that will adapt to any aesthetic and functional requirements.

Shown in matte optic white metal legs & frame / piasentina stone melamine top & leaf
