Feve Desk

By Ferm Living

Description

Made of solid FSC-certified Walnut, the Feve Desk has a delicate expression with curvilinear shapes characteristic of Scandinavian design. As a reference to the distinctive shape, its name is derived from the French word Feve, which means bean. The legs are carved into stretched elliptical shapes that emphasize the desk's elegant silhouette and balance the design. The Feve Desk's petite size allows it to be used as a desk, an entrance console or a make-up table.
