Post Coffee Table

By Ferm Living

Description

Inspired by the simple lines and visual weight of brutalist design, the Post Coffee table pairs understated shapes with intricate textures to create an alluring design. Made from FSC-certified wood, the table has three robust cylindrical legs and a circular tabletop. The tabletop is adorned with oak veneer marquetry in a radial pattern. Arrange a group of tables in different sizes to create a cohesive landscape in two levels.

Shown in smoked oak veneer
