Metro Pendant

By Jamie Young Company

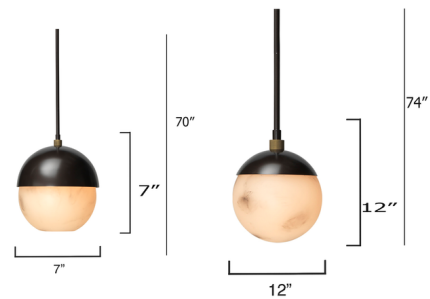

Description

A spherical faux alabaster shade that softens and diffuses the lightbulb hidden within is paired with oil rubbed bronze base and hardware in the sleek Metro Pendant. The mid-century inspiration is injected with a decidedly urban zest. The delicate swirl patterns and veining of natural stone in the shade is recreated carefully by hand from high quality resin and is unique to each piece. Fixture can be installed as a semi-flush mount.

Shown in oil rubbed bronze / alabaster
