## Night Sky Vase

By Jamie Young Company

### Description

The heavens and the earth (as represented by fine porcelain) finally meet in the celestially inspired Night Sky Vase. With it's sublimely perforated pattern, organic shape, and matte finish, it beautifully captures the eternal allure of our stars and moon. Note: The vase is for decorative use only and do not hold water. Each is created by hand and will vary slightly, ensuring each is an individual work of art.
