Caleo Pendant

By Le Klint

Description

The focus of the Caleo Pendant is its intricately pleated paper shade, which features a diagonally crisscrossing pattern that catches the eye even when the lamp is switched off. The shade conceals the light source to provide softly diffused light with minimal glare. Hang a grouping of different sizes to make a bold statement in a modern space.Note: A low wattage LED bulb is recommended for this fixture to reduce excess heat. The 19.7 inch pendant is not available with White/Bronze shade.
