Swirl Table Lamp

By Le Klint

Description

Designer Oivind Slaatto found inspiration for the Swirl Table Lamp's unique shade from spirals found in nature and mathematics. Drawing on the shapes seen in a snail's shell and fractal patterns, the Swirl's White PVC shade disperses light while concealing the light bulb to reduce glare. The lamp's simple Black metal base and stem help draw attention to the sculptural shade. On/off switch on cord.
