Model 101 Lantern Pendant with Metallic Accent

By Le Klint

Description

The Model 101 Lantern Pendant, created in 1944, is one of the most detailed of the LE KLINT lamps. Unique and fascinating, it is the perfect combination of design, technology and craftsmanship. The enclosed shape makes it perfect for hanging at height as it shades the light source from all angles. A Brass or Stainless Steel metal accent adds a contrasting shine to the white shade.
