Candlelight Portable Lantern

By Le Klint

Description

The Candlelight Lantern brings a new look to the classic lantern. This cordless, rechargeable lantern uses an integrated LED to resemble a real flickering candle flame. Real wax adds an authentic accent. The removable glass dome and slim handle, make this the perfect indoor piece, year round. Fully charged, this lantern will last approximately 150 hours. Charge time of 4 hours. On/Off switch located on the base. USB charging and USB cable included.Note: The Candlelight Lantern is designed for indoor use, but can be used outdoors on warm, dry days. Never leave the lantern outdoors overnight, or in rain or frost.
