LED-Ginger Wall / Ceiling Light

By Maset

Description

The Ginger Wall / Ceiling Light is an extraordinarily lightweight disk that pays tribute to the 1960's rock band, Ginger Baker of Cream. The shade is just 4 mm thick due to the high-pressure shaping of materials. Available in pressed wood combinations: Oak/Oak or Wenge/Wenge, wood and metal combinations: Oak/White or Wenge/White, or metal combinations: Black/White, Brushed Brass/Brushed Brass, Mauve, Sand, and Stone Grey. All options feature a Matte Black finish reflector cover. First finish refers to the shade finish and the second finish is the inside reflector finish (concave side). Use alone or grouped together for an individual look.
