LED-Ginger Large Wall / Ceiling Light By Marset

Description

The Ginger Large Wall / Ceiling Light is an extraordinarily lightweight disk that pays tribute to the 1960's rocker, Ginger Baker of the band Cream. The shade is just 4 mm thick due to the high-pressure shaping of materials. Available in pressed wood combinations: Oak/Oak or Wenge/Wenge, wood and metal combinations: Oak/White or Wenge/White, or metal combinations: Black/White, Brushed Brass/Brushed Brass, Mauve, Stone Grey, and Sand. All options feature a matte black finish reflector cover. First finish refers to the shade finish and the second finish is the inside reflector finish (concave side). Use alone or grouped together for an individual look. Includes Dual Dimming driver compatible with ELV or 0-10V dimmers.
