## Eave Sofa

By Audó Copenhagen

### Description

The Eave Sofa draws inspiration for both its name and shape from eaves, the part of a roof that overhangs a building's walls. Eave's architectural frame is not only stylish but comfortable as well with plush armrests and back. The seating angle is also ideal for offices or public spaces, enabling the user to sit actively engaging with their work. Note: The 97.2 inch size is only available in Beige Boucle or Savanna 202 fabric.

Shown in gold boucle

### Specifications
