Eave Dining Sofa By Audo Copenhagen

Description

The Eave Dining Sofa draws inspiration for both its name and shape from eaves, the part of a roof that overhangs a building's walls. The Eave Dining Sofa can be used as a standalone seat, or linked together in pieces of varying lengths as a modular sectional along with the Eave Corner Dining Sofa. A plush back and upright seating angle make Eave ideal for use around a dining table or in a casual workspace.
