Corona Ceiling Fan with Light

By Modern Forms

Description

The Corona Ceiling Fan with Light features a soft contoured profile that integrates seamlessly into contemporary or minimalist decor. Finish options include sleek monochrome choices or two-tone designs with a stylish accent trim around the light. Equipped with an LED luminaire and quiet DC motor, this fan is an energy-efficient solution for brightening and refreshing your space. A Bluetooth remote control is included and enables 6 speeds, forward and reverse, motor on/off, and light on/off with dimming. Optional controls are sold separately. As a smart fan, the Corona can also be controlled by connecting with the smart home tech you know and love, including Google Assistant, Amazon Alexa/Echo, and Samsung Smart Things. The free Modern Forms app is another control option and is chock full of functions such as fan speed and light brightness adjustment, Adaptive Learning, scheduling, and fan grouping. This fan fits perfectly into your modern lifestyle. Note: The Brushed Nickel and Soft Brass finishes are not intended for coastal environments.
