Wyndmill Ceiling Fan with Light

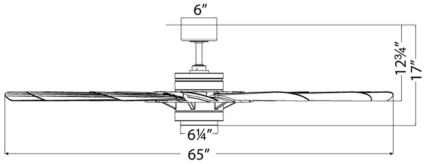

By Modern Forms

Description

Featuring 12 blades and a wide 65 inch blade span, the Wyndmill Ceiling Fan with Light generates substantial airflow suitable for indoor or outdoor applications. Its wet-rated weather-resistant aluminum housing ensures protection against the harshest of outdoor elements. Equipped with an LED light and quiet DC motor, this fan illuminates and refreshes your space while minimizing energy use.A Bluetooth remote control is included and enables 6 speeds, forward and reverse, motor on/off, and light on/off with dimming. Optional controls and downrods are sold separately.In addition to remote control use, the Wyndmill smart fan can be controlled through smart home tech including Google Assistant, Amazon Alexa/Echo, and Samsung Smart Things. The free Modern Forms app is another control option, chock full of functions such as fan speed and light brightness adjustment, Adaptive Learning, scheduling, and fan grouping. This fan integrates seamlessly into your modern lifestyle.
