

BRAND

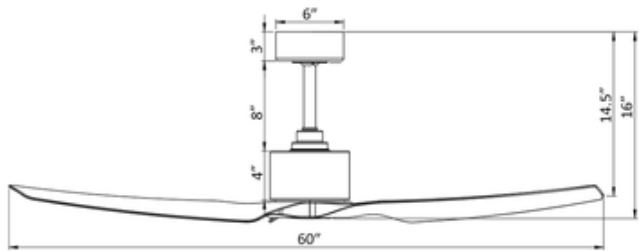

WAC Lighting

DESCRIPTION

Equipped with a UV-C LED ring and powerful DC motor, the germicidal Terminator UV Ceiling Fan can substantially decrease the concentration of viral pathogens, including the SARS-CoV-2 virus, in the air.\* Its sleek silhouette and quiet, energy-efficient motor make it a stylish, functional option for delivering a fresh breeze to any contemporary or transitional setting. Optional downrods are sold separately. A Bluetooth remote control is included and enables motor on/off, 6 speeds, forward and reverse, and UV light on/off, and includes a wall cradle. The Terminator can also be operated through the free WAC Smart Fans app which offers fan speed adjustment, Adaptive Learning, scheduling, fan grouping, and other convenient features. Additionally, you can pair the fan with smart home tech including Google Assistant, Amazon Alexa/ Echo, Samsung SmartThings, Ecobee, Control4, and Josh.ai. This fan is a perfect fit for your modern lifestyle.\* Third-party tests showed a 99.99% reduction of collectable active pathogen in the air and that the active SARS-CoV-2 virus was not detectable in the breathable air after 30 minutes of operation of the UV Module and Fan in a 8' x 8' x 10' test room. Based on tests conducted by an independent CAP and CLIA accredited lab, Innovative Bioanalysis. The effectiveness of the Terminator UV Ceiling Fan will vary based on application and surroundings, including but not limited to room dimensions and airflow.

SHADE COLOR	Matte Black
BODY FINISH	Matte Black
WATTAGE	16.5W
DIMMER	Included
DIMENSIONS	60"W x 16"H
INTEGRATED LED MODULE	
LAMP	1 x LED/120V LED
Technical Information	
LUMINOUS FLUX	600 lumens
LUMENS/WATT	36.36
LAMP LIFE	10000 hours
SPEC #	WAC1125468
