Viper Ceiling Fan with Light By WAC Lighting

Description

Featuring a contemporary five-blade design, the Viper Ceiling Fan with Light offers sleek styling for your indoor or outdoor space. Its LED luminaire and quiet DC motor ensure energy efficiency as it delivers illumination and a refreshing breeze to your living room, office, or patio. A Bluetooth remote control is included and enables 6 speeds, forward and reverse, motor on/off, and light on/off with dimming. Optional controls and downrods are sold separately. This smart fan can also be operated using the free WAC Smart Fans app which has fan speed adjustment, Adaptive Learning, scheduling, fan grouping, and other convenient functions. Additionally, the fan pairs with smart home tech including Google Assistant, Amazon Alexa/Echo, and Samsung SmartThings. Choose this fan for seamless integration into your modern lifestyle.
