Nut Outdoor Ceiling Light

By Bover

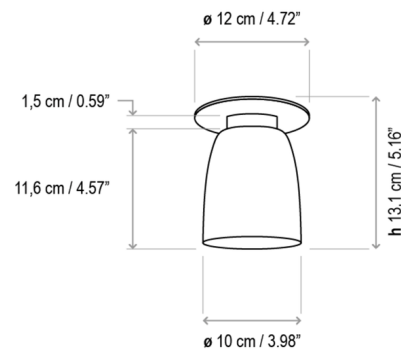

Description

The Nut PF/10 Outdoor Ceiling Light is a minimal modern light designed for use in wet indoor or outdoor conditions. Made of durable stainless steel and aluminum, the bell-shaped shade has a textured finish. A polycarbonate diffuser softens the LED light and dimming offers the choice of mood lighting or low-level night light in a bathroom or kitchen, or on an outdoor deck.

Note: The included canopy mounts on a standard US junction box. It is not shown in the photos but is shown in the line drawing.

Shown in textured white
