## Howard Chandelier

By Gubi

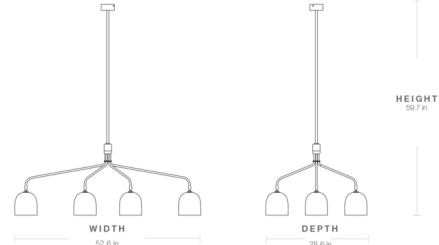

### Description

Inspired by the dark metals and industrial aesthetics of New York City, the Howard Chandelier is the result of a collaboration between Gubi and Space Copenhagen. Six curved arms in a Gunmetal finish reach out from a central point to support rounded shades in Gunmetal brass or Bone China. Brushed Brass accents on the frame add a warm touch. Place this fixture above the table in a dining or conference room, or use it as a statement piece in a restaurant or hotel lobby.
