## Howard Wall Sconce

By Gubi

### Description

Inspired by the dark metals and industrial aesthetics of New York City, the Howard Wall Sconce is the result of a collaboration between Gubi and Space Copenhagen. The rounded, pill-shaped shade features a Gunmetal metal exterior finish and Brushed Brass interior to add warmth to its subtle, indirect light. May be installed as a hardwired or plug-in fixture. On/off switch located on cord. Note: When used a hardwired sconce, this fixture requires a 2 x 4 inch junction box.
