## Unbound Floor Lamp By Gubi

### Description

Created by the Danish design team Space Copenhagen, the Unbound Floor Lamp is a reimagining of a traditional lantern. The teardrop shaped, grey marble base supports the elongated shade which houses an array of integrated LED lights. The shade can be rotated around the base, giving Unbound a sail-like, sculptural appearance. Dimmer switch located on cord.

Shown in grey marble / white linen

### Specifications

COLOR . . . . . White Linen  
BODY FINISH . . . . . Grey Marble
