Philips Hue Click Wireless/Battery-Free Light Switch

By Run Less Wire

Description

Control your smart lights with the Click, for Philips Hue, a wireless, decorator-style light switch that gives you additional control of your Hue system and scene. Powered by the press of the button with no batteries or wires required. The Click features a self-powered, battery-free switch with both a single and double rocker insert. Note: Philips Hue Bridge required and sold separately. Connect the smart wireless light switches with Philips Hue bulbs, Hue App and Hue Bridge. Control lights from a switch or smart device including Apple HomeKit, Amazon Alexa, or Google Assistant.
