## Heracleum III Linear Pendant

By Moooi

### Description

The Heracleum III Linear Pendant was inspired by the Heracleum plant. The white leaves/lenses splay from one branch creating a very technical, natural structure. The leaves can be freely re-positioned by rotating them around their stem.

Note: The Heracleum is only dimmable using the Wireless Wall Dimmer Switch or with the Heracleum III 0-10V Driver for 0-10V dimming systems, sold separately.
