Joanna Pendant

By AFX

Description

The Joanna 1 Light Pendant by AFX is a clean industrial look that is perfect for the modern home or commercial space. Made with a simple profile that fits in kitchens, bath areas, entryways, and more, this fixture is made with a clear glass downlight shade with satin nickel framing that houses a filament-style Edison bulb. The result is a look that creates a clean, complete look that draws heavily for an industrial tradition of interior design.
