Joanna Wall Sconce

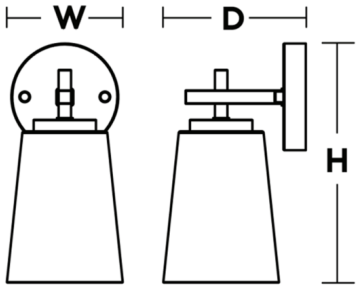

By AFX

Description

The Joanna 1 Light Sconce by AFX is framed with an understated contemporary look that is firmly rooted in the best of industrial tradition. Crafted around a simple profile with a single light motif, this fixture has a black finish metal arm with a round backplate that is hoe to a clear downlight shade. Top it off with a filament-style Edison bulb, and you have a clean, complete look that inspires any interior.
