Metropolitan Semi Flush Mount

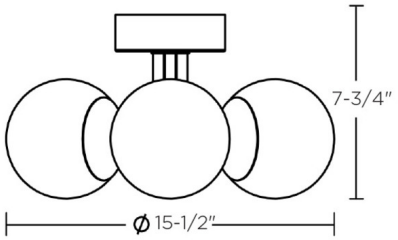

By AFX

Description

Mid-century design with a creative modern twist that gives new life to bedrooms, hallways, and more. The Metropolitan 15 inch LED Semi-Flush by AFX is centered on a three-light design with a bent arm design that stems from its round flush-mount base in satin nickel. It's pulled together with a set of three frosted glass diffuser globe shades that lend a cool, vintage style to any space.
